Hi fellow suppers,

John here with some latest Shepherd Neame news.

I've been informed by Stewart Tricker, Senior Brewer and Quality Manager of Sheps, the new Cask Club season starts off with pale ale ONE HOP WONDER a SMASH beer (Single Malt And Single Hop). It's a 4.5% abv using only pale ale malt and 100% CHINOOK hops from Richard Edmed Hayle Farmin Kent. Expected hop flavours are grapefruit and melon with possible hints of passion fruit.

Also for the upcoming Wetherspoons Festival an exclusive beer called NIC OF TIME more details to follow.

I will have soon have a date for the 1698 presentation. This is the award for REAL ALE in a bottle LONDON and SOUTH EAST REGIONAL CHAMPION BEER OF BRITAIN. To have support at the presentation will be most appreciated.

Keep supping. All the best

John. Shepherd Neame Brewery Liaison Officer
